Hello and welcome to a new and improved SPTC Junior Tennis Program!

Our philosophy for raising up youth to love tennis is quite simple.

“PLANT THE LOVE OF TENNIS IN THEIR HEARTS AND YOU WILL GIVE THEM THE GIFT OF TENNIS FOR A LIFETIME”

All of what we do here at SPTC for our youth tennis students revolves around this wonderful quote.

We have a great Fall/Winter schedule and look forward to meeting each one of you.

Out of necessity, we will offer our Junior Program in 3/4/5 week sessions, Mondays, Tuesdays, Wednesdays, and Fridays; Negotiating school, holiday and out tournament schedule is not easy.

Be assured that coaches Maria, Gene, and Katie, along with our Staff of Professionals will engage, encourage, and ensure your children will have a GREAT TENNIS EXPERIENCE!!
